SERVING THE ROCKY MOUNTAIN UTILITY INDUSTRY SINCE 1982

SUBSTATION & SUBSTATION MAINTENANCE

Batteries and Racks– [BAE](#)

Battery Chargers and DC Power Systems - [SENS](#)

Control Buildings and Power Control Centers – [AZZ](#) | [Atkinson-EPSI](#)

Reclosers, Capacitor Bank Switches, Disconnect Switches - [Joslyn Hi – Voltage](#)

LTC Controls and Adapter Panels, Voltage Regulator Controls, Relays – [Beckwith Electric Co. Inc](#)

Metal Clad Switchgear, Control Buildings and Relay Panels – [AZZ](#) | [Central Electric](#)

SF₆ Testing, Diagnostic and Maintenance Equipment - [Dilo](#)

Breaker and Transformer Testing, Commissioning, Repair – [North American Substation Services](#)

Transformers, Voltage Regulators and Reactors up to 50 MVA, 230 kV – [Howard Industries, Inc.](#)

Large Power Transformers, Auto Transformers and GSU – [JSHP](#)

On-Line Transformer Processing and Moisture Removal – [Trojan Dry Out Systems](#)

Accoustawall Decorative Sound Absorbing Composite Fencing– [Shakespeare](#)

Progressive Diagnostics - Fluids Testing Analysis, Diagnostic Programs, Engineering Services

Information Services - Online Data Management, Education Offerings

InsuLogix[®] On-line Monitoring Devices for Hydrogen and Temperature, and the SmartSpacer[®] Solution for Fiber Optic Probe Installation - [Weidmann](#)

TRANSMISSION

Cable Preparation Tools for Power Transmission Cable Products - [Ripley Tools](#)

Cross Arms and Dead Ends, Composite Fiberglass Poles - [Shakespeare Composite Structures](#)

Optical Ground Wire (OPGW) - [SFPOC](#)

Structures, Tubular and Lattice - [Thomas & Betts-](#) [Meyer Steel](#)

Reclosers, Capacitor Bank Switches, Disconnect Switches - [Joslyn Hi – Voltage](#)

Underground Transmission Cable and Turnkey Installation 46kV – 138kV – [Kerite High Voltage Cable](#)

Toughened Glass Transmission Insulators – [Nanjing Insulators](#)

Transmission Line Hardware – [JS Hardware](#)

7709 Ralston Road, Arvada, CO 80002
Phone: (303) 423-2741 Fax: (303) 467-0714
www.pes-co.com

DISTRIBUTION

Cable Preparation Tools for Distribution Cable Products - [Ripley Tools](#)

Capacitor Controls and Fault Current Indicators - [Fisher Pierce](#)

Connectors, Tools and Grounding Products – [Blackburn/Homac](#)

Separable Connectors, Terminations, Molded Switchgear, Molded Fuses - [Elastimold](#)

Fuses - Current Limiting - [Hi Tech](#)

Power and Lighting Poles, Crossarms and Deadends–Fiberglass – [Shakespeare Composite Structures](#)

Transformers 0.5 KVA - 50 MVA, Voltage Regulators - [Howard Industries, Inc.](#)

Primary TRXLPE Underground Cable – [Hendrix](#)

Reclosers, Capacitor Bank Switches, Disconnect Switches - [Joslyn Hi – Voltage](#)

Vault Covers- Counter-Balanced - [Madruga Iron Works](#)

Voltage Regulator Controls and Adapter Panels, Feeder Relays – [Beckwith Electric Co. Inc](#)

Primary EPR Underground Cable - [Kerite](#)

LIGHTING

Indoor and Outdoor Light Fixtures, Ballasts and Lamps - [Howard Industries, Inc. Lighting](#)

Composite Decorative Lighting Poles and Shrouds – [Shakespeare Composite Structures](#)

Lowering Devices – [Joslyn Hi – Voltage](#)
