SERVING THE ROCKY MOUNTAIN UTILITY INDUSTRY SINCE 1982

SUBSTATION & SUBSTATION MAINTENANCE

HVDC, FACTS, Series and Shunt Compensation, Turn-Key Substations – [Alstom Grid](#)

Control Buildings and Power Control Centers – [AZZ | Atkinson-EPSI](#)

Batteries and Racks– [BAE](#)

Metal Clad Switchgear, Control Buildings and Relay Panels – [AZZ | Central Electric](#)

SF₆ Testing, Diagnostic and Maintenance Equipment – [Dilo](#)

Transformers, Regulators and Reactors up to 50 MVA, 230 kV – [Howard Industries, Inc.](#)

Breaker and Transformer Testing, Commissioning, Repair – [North American Substation Services](#)

On-Line Transformer Processing and Moisture Removal – [Trojan Dry Out Systems](#)

Accoustawall Decorative Sound Absorbing Composite Fencing– [Shakespeare](#)

Progressive Diagnostics - Fluids Testing Analysis, Diagnostic Programs, Engineering Services

Information Services - Online Data Management, Education Offerings

InsuLogix[®] On-line Monitoring Devices for Hydrogen and Temperature, and the SmartSpacer[®] Solution for Fiber Optic Probe Installation - [Weidmann](#)

TRANSMISSION

Structures, Tubular and Lattice - [Thomas & Betts Meyer Steel](#)

Cable Preparation Tools for Power Transmission Cable Products - [Ripley Tools](#)

Optical Ground Wire (OPGW) – [SFPOC](#)

Cross Arms and Dead Ends, Composite Fiberglass Poles - [Shakespeare Composite Structures](#)

Underground Transmission Cable and Turnkey Installation 46kV – 138kV - [Kerite High Voltage Cable](#)

Toughened Glass Transmission Insulators – [Nanjing Insulators](#)

Transmission Line Hardware – [JS Hardware](#)

GENERATION & GENERATION MAINTENANCE

Control Buildings and Power Control Centers - [AZZ / Atkinson-EPSI](#)

Batteries and Racks – [BAE](#)

Gas Insulated Bus Duct Systems - [AZZ / CGIT](#)

Isolated Phase, Non-segregated Phase and Cable Bus Duct - [AZZ / Calvert](#)

Relay Control Panels – [AZZ / Central Electric](#)

Breaker and Transformer Testing, Commissioning, Repair – [North American Substation Services](#)

DISTRIBUTION

Connectors, Tools and Grounding Products – [Blackburn](#)

Separable Connectors, Terminations, Molded Switchgear, Molded Fuses, Fault Current Indicators - [Elastimold](#)

Capacitor Controls and Fault Current Indicators - [Fisher Pierce](#)

Fuses - Current Limiting - [Hi Tech](#)

Connectors and Accessories – [Homac](#)

Transformers 0.5 KVA - 50 MVA, Voltage Regulators - [Howard Industries, Inc.](#)

Reclosers, Capacitor Bank Switches, Disconnect Switches - [Joslyn Hi – Voltage](#)

Vault Covers- Counter-Balanced - [Madruqa Iron Works](#)

Cable Preparation Tools for Distribution Cable Products - [Ripley Tools](#)

Composite Decorative Lighting Poles, Shrouds, Cross Arms and T&D Poles - [Shakespeare Composite Structures](#)

LIGHTING

Indoor and Outdoor Light Fixtures, Ballasts, Lamps and Accessories - [Howard Industries, Inc Lighting](#)

Composite Decorative Lighting Poles and Shrouds - [Shakespeare Composite Structures](#)

Lowering Devices - [Joslyn Hi – Voltage](#)
